HIDDEN GEM

A new third place

Karun's been quiet since 'Messed Up.' This is the return set, intimate room, no phones policy. Bey T opens with that voice that makes you forget where you are.

RABBIT HOLE

Why Kenyan Jazz is having a moment

After months of studio silence, Karun returns to the stage for an intimate performance that promises to showcase new material alongside fan favorites. Known for her genre-blending approach that fuses R&B, soul, and Afro-fusion, this show at The Alchemist offers a rare chance to experience her artistry in one of Nairobi's most atmospheric venues.
